Dia daoibh gach duine,

I hope everyone has enjoyed settling back into the school routine this September. It has been great to see the effort being made by everyone, and to see the school full of energy and excitement - hopefully we can carry this into October as we begin looking towards Halloween.

A very warm welcome once again to all our new students and families who have joined our school community this year. It's been fantastic to see how quickly and confidently you've settled in. There have been so many lovely examples of kindness, teamwork, and friendship across the school - well done to everyone for making such a positive start.

As the leaves continue to change and fall from the trees, there's no doubt that Autumn is truly here. Let's keep up the great work, and the positive spirit & enthusiasm over the next couple of weeks.
